

New (school) year's resolution:

X Improve my (German, English, French, Arabic, Italian, Chinese, Spanish, Hindi...) language skills

.... and here's how!

**S

L A N G U A G E
P***

***swap** (swop), *v.* **swapped, swap-ping.** *n* --*v.t.* 1. to trade or barter, as one thing for another. --*v.t.* 2. to make an exchange. (Webster's College Dictionary)

Here's *your* opportunity to make a language exchange with another ESKAR parent.

You decide when, where and how often. Decide in function of availability, motivation and school holidays! It is suggested you begin with once a week for an hour (first hour language A followed by second hour of language B) and see how it works for you and your language partner.

It's an easy way for you to dust off a rusty skill, discuss current events, magazine articles or movies --- or even begin a new language in a friendly, supportive environment! For you to decide.....

Come "swap" during the Coffee Morning, Wednesday 22 October.

See you there!
