Liebe Schulgemeinschaft!

Einladung für 22. September 2009, 16:00 Uhr in der Aula . . .

To the European School Karlsruhe community

Brainstorming open meeting in the Aula of ESK
22 September 2009 from 16 to 18 h

Programme:

- 16.00 h Introduction by the Headmaster Tom Høyem
Where do we want OUR ESK to be in 2012?
What are our priorities for the short and long term?
- 16.30 h Open discussion and brainstorming
- 18 -18.30 h "Sundowner" drinks

There are two main reasons for this invitation

1. ESK will celebrate its 50th anniversary in 2012
2. This spring the Board of Governors for the European Schools decided to reform the school system, giving the individual schools possibilities for greater autonomy. The focus will be on the new **SAC** - **S**chool **A**dvisory **C**ommittee -. The reform document can be found at www.eurasc.org in German, English and French.

This is a challenge and a possibility for ESK. Let us, together, use this opportunity!

WELCOME TO EVERYONE!
